TWO BUSINESSES. TWO VERY DIFFERENT WAYS OF GROWING.

Same industry. Very different
foundations

BUSINESS A: GROWTH MEANS NEW CUSTOMERS ONLY

Every month starts back at
zero

BUSINESS B: NEW CUSTOMERS PLUS THE ONES ALREADY WON

Existing customers get
followed up with, not
forgotten

BEFORE: BUSINESS A'S GROWTH RISES AND FALLS WITH AD SPEND

Slow the advertising, and
growth slows with it

AFTER: BUSINESS B'S GROWTH HAS A FLOOR UNDER IT

A base of loyal customers keeps
things steady, even in a quiet month

**WHICH OF THESE TWO
BUSINESSES LOOKS MORE
LIKE YOURS TODAY?**

Be honest. It changes
everything downstream
